You would do anything for your father

by MiaQc

Summary

A pornographic one-shot with no plot. Shao Kahn has sex with his daughter Mileena.

- A translation of Tu ferais tout pour ton père by MiaQc

“Oh, Father!” Mileena moans as the Outworld Emperor plays with her beautiful nipples. He licks them, sucks them, and pinches them with his fingers.

“Mileena, my beautiful Mileena, you would do anything for your father.”

With these words, Shao Khan kisses her large breasts. Mileena moans again.

“Yes, anything! My body belongs to you!”

The emperor, happy to hear her say this, slides his big cock between his daughter's big tits. Mileena screams with pleasure.

“Ahhh~, would you like my seeds, Mileena?”

“Yes, Father, I want them all!”

Then Shao Khan thrusts his large penis hard into Mileena's pussy. While his daughter moans his name, he penetrates her relentlessly. When he ejaculates, father and daughter orgasm together.

“What a shame,” said Shao Kahn as he withdrew his cock from Mileena's wet pussy, “that your sister doesn't love me as much as you do.”

“Forget her, Father. You only need me.”

To please her father even more, Mileena takes his penis in both hands and caresses it. The Outworld Emperor smiles.
